Inspired by her commission for the National Portrait Gallery to paint the writer Jeanette Winterson, BP Portrait Award-winning artist Susanne du Toit presents a new body of work: twenty portraits of contemporary female authors.

A new book, *Painting Women Writers*, will be published by Eiderdown Books to accompany the portrait series. Featuring all twenty portraits, the book also includes unseen preliminary sketches and notes by the artist on her process, a new essay by Jeanette Winterson, an introduction by art historian Sacha Llewellyn and contributions from the artist's sitters.
